

**IHHAAC, INC.**  
***A Federation of South County Civic, Citizen & Neighborhood Associations***  
P. O. Box 44013  
Fort Washington, Maryland 20749

IHHAAC is a federation of civic, citizen, homeowner and community associations and interested individuals located throughout Prince George's Councilmanic Districts 8 and 9. We provide information and facilitate networking among civic groups, community activists and individuals concerned about the commonweal of Prince Georgians in general and south county in particular, especially those issues that affect our quality of life and property values.

IHHAAC is proactive in monitoring and testifying on: proposed state and local legislation; land use planning, including proposed changes to the Master Plan, Sectional Map Amendments, the Transportation Master Plan and the Landscape Manual; and applications before the Planning Board, subdivision review, Zoning Hearing Examiner and Board of License Commissioners (includes control of liquor licenses). Periodic email *Action Alerts* and *Information Alerts* and special publications keep our members apprised of important issues.

**Current issues include:** legal challenges to 2009 revisions to the Subregion V and VI Master Plans/Sectional Map Amendments, including the proposed Accokeek Crossing retail/commercial complex and the Hyde Field Lifestyle Center; County budget priorities; WSSC Broad Creek pumping station and Piscataway Wastewater Treatment Plant; and public safety and law enforcement, notably the construction and staffing of the long promised District VII Police Station.

Membership in IHHAAC is open to all who share our goal of *smart growth* in south county and who have paid the prescribed dues. By sharing information and knowledge, IHHAAC and its members can make better informed decisions and choices. There is strength in numbers. *Together* it is possible to make a difference. Please join us in our continuing efforts to protect and improve our quality of life in south county.
